

HOW TO MAKE MORE MONEY

Series #1
Class #3

A one pointed, burning desire is the attitude to take to bring about the success of making more money or any endeavor. You must be sincere, with a strong determination to succeed. If you do not have this determination to the degree you would like, you can acquire it through extra time put into study of these classes and listening to the tapes as often as possible. Build a little more enthusiasm every day and it will accumulate into a dynamic force that will carry you to the finish line.

When you make a decision towards a goal, make a strong, determined decision. Never allow yourself to be wishy washy or half hearted. When you do something, do it with all your might, putting your full self right into it.

There is one important aspect about this that you need to understand. Even though you have made a strong, determined decision and you put your full self into it with all your might, you can change your mind at any time, to a better plan.

So many think that if they make a firm plan and put effort into it, it cannot be changed. Nonsense! If you really work at being successful you will continue to grow and raise your consciousness. You will then be seeing things from a different point of view and the changes you make will improve your chances to be successful and make more money or whatever success you desire.

The Law of Success works. But you will have to work it and know how to work it. Life works through you, not for you, and to the measure that you give will it be given back to you. Half way measures avail us only half way or in other words -- nothing. Give a full measure and then add a little more to be sure and Life's abundance will fill your cup to running over.

You create your destiny. You are master of your fate. Once you have made a definite decision, with strong determination, no one or situation can deter you from your accomplishment, because you have the Power and Wisdom of all Life at your disposal.

HOW TO MAKE MORE MONEY/Class #3/Page 2

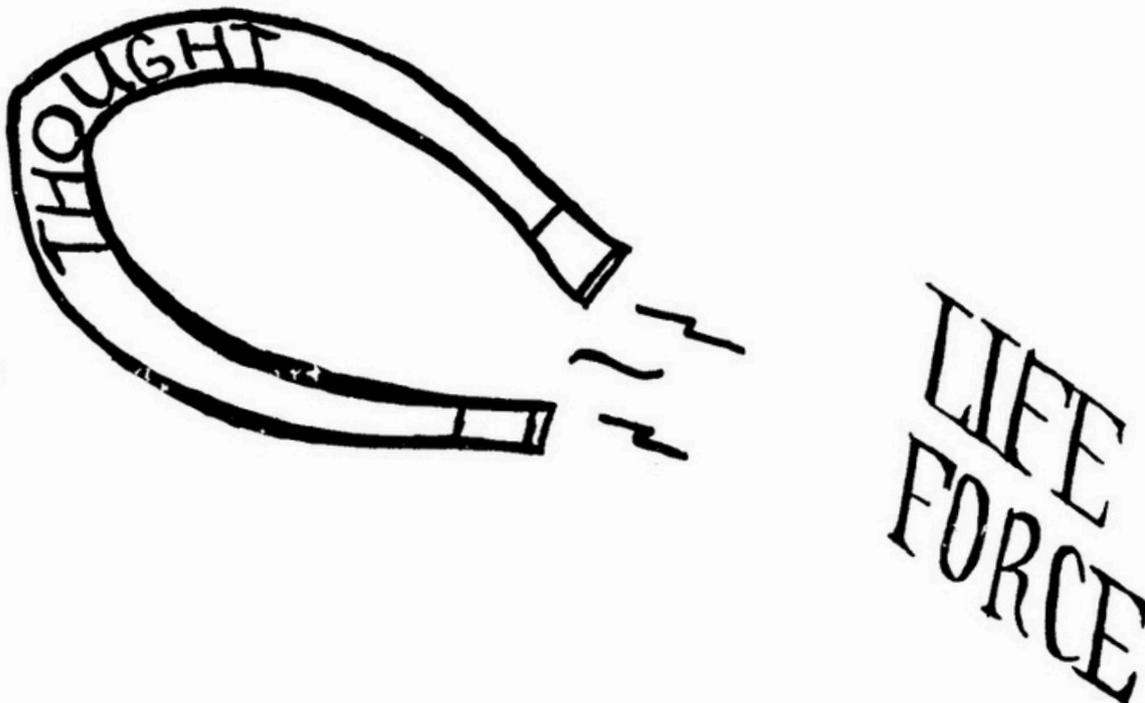

You are a co-creator with the Creator of all Life and when you put the Law into action, the forces of all the universe come to you at your bidding to accomplish whatever you will. This is the nature of life.

One other thing you must remember is that Life is impersonal and It will bring you the negative and destructive conditions if this is what you project with doubt, worry, anxiety and all the other negatives based in fear.

You cannot build up the positive, constructive with one hand and then allow the negative, destructive with the other. You just nullify all the work, effort and time that you have given to be successful.

Life Force follows thought and has all the magic ingredients to make you successful. So take care that your magical Life Force is not led astray by your thoughtless thoughts of negativity.

Be the master of your mind and thoughts by thinking only positive, loving, abundant thoughts.

HOW TO MAKE MORE MONEY/Class #3/Page 3

Read the following suggestion with feeling, emotion and conviction, five times a day, throughout the day; morning, mid-morning, noon, mid-afternoon and evening.

SUGGESTION:

I NOW HAVE A ONE POINTED, BURING DESIRE TO BE SUCCESSFUL AND BRING MY GOALS INTO FRUITION. I KNOW THAT MY THOUGHTS, EMOTIONS AND FEELINGS ARE THE CATALYSTS THAT BRING FORTH MY DESIRES AS A PHYSICAL REALITY IN MY PHYSICAL WORLD. THE STRENGTH AND POWER PUT INTO THESE THOUGHTS, EMOTIONS AND FEELINGS CAN MAKE THE DIFFERENCE AS TO THE TIME OF THEIR APPEARANCE IN MY LIFE.

I NOW BRING FORTH, FROM THE DEPTHS OF MY BEING, THE POWER OF THE ONENESS OF ALL LIFE THAT I AM. WITH THE POWER OF STRONG DETERMINATION I PUT MY WHOLE SELF INTO THE GOALS THAT I HAVE SET FOR MYSELF.

I REALIZE THAT I CAN CHANGE MY GOALS AND IMPROVE MY PLAN AT ANY TIME. THIS WILL NOT TAKE AWAY FROM MY CHANCES OF SUCCESS, BUT WILL ADD MORE STRENGTH AND POWER TO IT.

I AM DETERMINED TO REALIZE MY GOALS, MAKE MORE MONEY AND EXPERIENCE THE JOY OF SUCCESS. I KNOW THAT I CAN DO THIS AND STILL ABIDE BY ALL THE LAWS OF LIFE BECAUSE I AM LIFE AND LIFE WANTS ME TO BE ABUNDANT BECAUSE LIFE IS ABUNDANT.
