

Beyond Time
Loving Life

GIVE TO LIFE

To live life you must give it all you have.
To give life all you have, you must live
completely in the present, right now, to the fullest.

THINK - NOW!

You cannot be thinking about the past or future, or arranging your life in a certain way because of what happened yesterday, or because of what might happen tomorrow.

CONCEPT OF FEAR

Fear is considered the opposite of Love. You cannot think, act or speak of the past or future very long without bringing in the concept of fear.

BE LOVE

God is Love. You and I are made in the image and likeness of God, and to fulfill this image, we too must be Love. When you are living life to the fullest this moment, you are loving life, you are being Love and fulfilling your True Image.

OPEN DOORS TO HIGHER REALMS

The image that you project to the world is not your physical body, but how you think, how you feel and how you speak and act. When you are living life to the fullest this moment, giving it all you've got, you open the doors to the Higher realms and you are projecting the Divine Image.

GOD THROUGH YOU

God is then manifesting through you in all His Glory and Beauty and

you are fulfilling your purpose in life. For we were brought into being that God might manifest through us.

EXPERIENCE GOD

So many feel that God is elusive, mysterious, some place far off, and almost impossible to see or experience. This is another part of the illusion, because God is here and now, everywhere present.

JUST LOOK AROUND YOU!

You can look up in the sky and see the clouds and say, "Hello Father." You can look, also, at the grass, the flowers, and the birds, and say, "Hello Father." And you can look at each individual incarnating on this planet and say, "Hello Father," for He is there, everywhere present in all His Creation.

LIVING IN ETERNITY

When you learn to bring all of your consciousness to bear on this present moment, doing what you find at hand to do with all your might, you are living in Eternity, and you are not only seeing the Father, but you are experiencing Him as well.

SUGGESTION

THE LOVE THAT I FEEL THIS MOMENT IS THE LOVE OF LIFE THAT I AM IN THE PRESENCE OF GOD, THE NAME LIFE HAS GIVEN ITSELF. SINCE YOU AND I EXIST IN LIFE, THEN WE ARE LIFE, LIFE EVERYWHERE PRESENT IN ALL OF EXISTENCE.

LIFE IS. YOU ARE. I AM -- GOD. ALL IS GOD, FOR THERE IS NO OTHER, TO THINK OF LIFE AS SPLIT UP INTO THINGS (YOU AND I, THE GRASS, THE BIRDS, THE BEES) IS TO THINK ILLUSION. YOU AND I AND ALL THE REST ARE DIFFERENT EXPRESSIONS OF THE ONE LIFE.

WE ARE THE ONE LIFE EVERYWHERE PRESENT, ALL OF IT. WHERE? WHEN? RIGHT NOW! RIGHT HERE IN ETERNITY, FOR ETERNITY IS HERE AND NOW. ETERNITY IS THE JOY OF BEING. YOU CAN ONLY "BE" IN THE PRESENT.
