

Life Beyond Time

WHAT IS LIFE BEYOND TIME AND SPACE?

Life is free and easy, when you know that you have all Eternity. You need not be in a hurry about anything. But, on the other hand, you have so much more to live for.

YOU ARE LIMITLESS

You realize that you are limitless, that you can accomplish all things, do all things, be all things. Knowing this, life is much more interesting to you. Even though you don't rush around because of a fear of limited time, you are greatly interested in accomplishing new goals, new understanding, new experiences.

CONSCIOUSNESS THAT GROWS

Life becomes a multi-dimensional existence, and you experience much, much more of life. And life continues to expand, because your consciousness is greater, larger and able to comprehend ten, twenty, one hundred times more than when you were trapped in the limited concept of time and space.

EVER ONWARD

This understanding will move on to be a thousand times more, and then ten thousand times, and so on into the infinite variety of the many different experiences on many different planets, in many different galaxies, on many different dimensions of existence.

OPEN WIDE THE DOOR

When we stop to consider the infinite complexities and varieties that life has to offer, when we really open wide the door of our free will, we can see that it truly was an understatement when the Master said, "In my Father's house are many mansions." Perhaps he was speaking of the depth and breadth of his own consciousness, instead of the whole scope of life, because he also said, "I go to prepare a place for you."

GREATER EXPERIENCES

If we can learn to follow the Master's example, we can learn to move our consciousness beyond time and space, and start experiencing more of the many mansions, or greater states of consciousness that await us beyond the illusions of time and space. To follow his example, we must remember some of his statements, such as, "the fields are white unto harvest." "The Kingdom of God is at hand."

NOW IS THE ONLY TIME

In other words, there is no need to wait. There is no need to hold back. There is no need to say, "When I grow into this state", or "When I become." NOW IS THE ONLY TIME THAT YOU CAN DO ANYTHING.

ALL IS YOURS!

All of life awaits your bidding. All is yours for the taking. All of existence is right in front you. Reach out now and accept, as your own, the state of consciousness you desire.

YOURS TO SHAPE

Life is like a lump of clay. You can mold and shape it as you will, as speedily as you can think it into existence.

LIVE IN ETERNITY---NOW!

Think yourself beyond time and space, into the Eternity of all that your heart can desire.

SUGGESTION

I AM OPEN TO THE NOWNESS OF MY EXISTENCE, WHICH IS ONE WITH ALL LIFE AT THIS MOMENT, EVERYWHERE PRESENT IN THE TOTAL OF ALL LIFE.

I AM AT THE CENTER OF LIFE THAT CONTAINS ALL HERE AND NOW. MY CONSCIOUSNESS IS OPEN TO EXPERIENCE THE ALLNESS OF EVERYONE, EVERYTHING, EVERY DIMENSION, EVERY PLANET, NOT SOME TIME IN THE FUTURE THAT CONTAINS THE CONCEPT OF ILLUSION, BUT RIGHT HERE AND RIGHT NOW.

I AM ANNOINTED WITH DIVINE LIGHT THAT GIVES ME THE UNDERSTANDING OF THE WHOLENESS OF LIFE THAT I AM.
