# TAPPING THE SOURCE

## LEARNING TO ACCEPT YOUR GOOD

The whole of Life everywhere present is at your command. You are the master of your fate, for you are the master of Life, all of life.

You are made in the image and likeness of the Creator of the Source of all Life. You are a child of God, and if you choose to grow up, to mature to your rightful inheritance, you have the freedom to do so.

As a free spirit you also have the free will to think of yourself as limited. You can never be limited except in your own concepts.

If you believe yourself to be limited, then you fail to accept your good. Your freedom gives you the choice to create your life as you believe, for you are the child of the Father Mother God and have the same Creative Power.

Life does not distinguish the concept of duality, right or wrong and just automatically gives you what you create by your thoughts, whether you are physically conscious of it or not.

Whatever you find your life to be, you can be certain it is the outward manifestation of your Divine Creative Power.

In the sense that life force is constantly flowing through you, giving you the raw substance of life to mold and shape as you will, (as you are doing with your every thought, word and deed), you are in touch with the Source. For most this is sub or unconscious.

In this class you are learning to accept your good, accept yourself as co-creator with the Source of all life. With this positive attitude it is much easier to consciously reach within and tap the Source of your source of all that is, of all that you are.

AFFIRMATION

AS I MOVE INWARD TO THE CORE OF ALL THAT IS, THE CENTER OF THE SOURCE OF LIFE, I TAKE WITH ME THE UNDERSTANDING OF MY SELF WORTH. THAT I AM A CHILD OF LIFE, THE SOURCE OF ALL EXISTENCE EVERYWHERE PRESENT, AND ALL THAT I SEEK AND ASK FOR IS ALREADY MINE WAITING TO BE CLAIMED.

I THEREFORE ACCEPT MY GOOD THAT I INHERENTLY DESERVE AS A CHILD OF THE SOURCE OF ALL THAT I DESIRE.
