

CREATIVITY AND TALENTS FROM THE PAST

KEEP MOVING ON

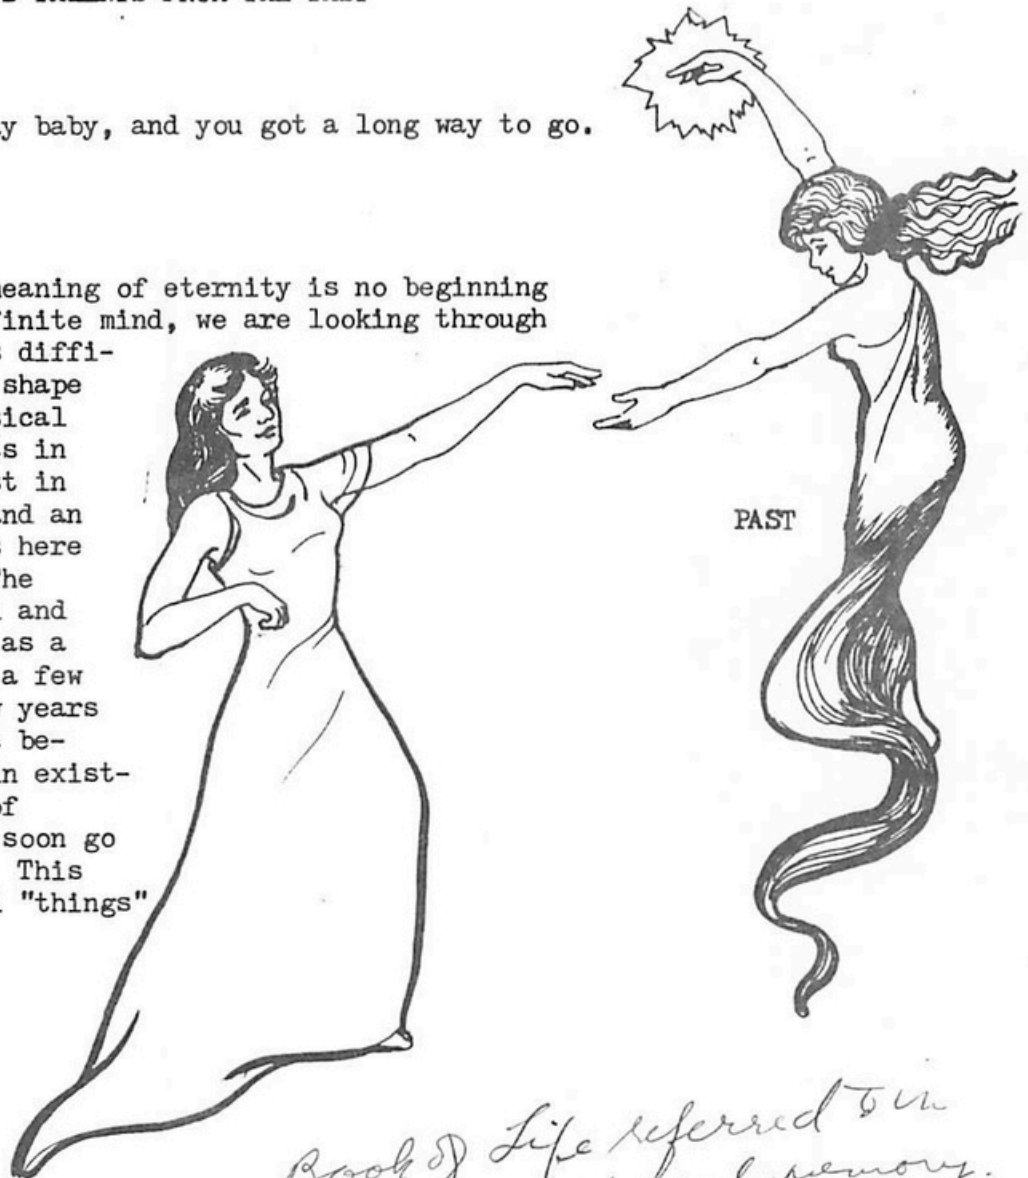

You have come a long way baby, and you got a long way to go.

WE LIVE IN ETERNITY

Life is Eternal. The meaning of eternity is no beginning and no end. With the finite mind, we are looking through most of the time, it is difficult to understand the shape of spirit. On the physical plane, everything exists in time. Things that exist in time have a beginning and an end. The carpet begins here and ends down there. The carpet was manufactured and brought into existence as a carpet a few months or a few years ago, and in a few years it will no longer exist because all of its time in existence it is in a state of deterioration and will soon go back to dust or ashes. This is the fate of material "things" on this level.

YOU ARE ETERNAL

But, spirit does not exist in time. It exists in Eternity. You are not a physical being or a mental being. You are spirit. You are Eternal. You had no beginning and you will have no end.

*Book of Life referred to in
the Bible is your soul-memory.*

 YOU ARE EXPERIENCED

You have always existed. Your existence has been on many planets and on many dimensions. You have had many, many experiences in the past. You have learned many things and done many things. You have developed many talents. You have experienced and been a part of many, many new inventions that we, in this time of history, have not brought forth yet again.

BE A CHANNEL Would you like to be the channel for a so-called NEW invention to come through? If you have a desire for this, it could mean that it is possible for you now, at this place in time, to be an Inventor, or should we say a Rememberer.RESEARCH RECORDS

By going back and searching your records from the past, it is possible to discover some of these so-called "inventions" and bring them forth to this place in time. People are doing this every day without the aid of hypnosis or age regression. Think how much of an advantage you have with this ability to span the Ages of Time.

GIVE CREDIT Your subconscious mind has much more ability than you give it credit for. It has the memory of all of your past. It is next to the Superconscious, and has the ability to reach into some of the Allness of Wisdom and Power, when it is cleaned out, disciplined and put into order. You can choose to allow this spoiled child, (the subconscious) with a six year old intellect, to have its way and lead you down the garden path of destruction and ruin, OR you can take charge of yourself, your mind, your subconscious habit patterns and get yourself in tune with the Laws of life and be a part of the Answer instead of part of the Problem.BE A LEADER

You, and only you, can choose to be a Leader or a Follower, a Success or a Failure, an Inovator, or stuck in the same old rut year after year, lifetime after lifetime.

SHAPE YOUR DESTINY

Take the bull by the horns, or at least your subconscious by the tail, and whip it into shape, so you can shape your destiny and be on the front of new ideas, new inventions and creative talents that will shape the New Age.

YOU CAN DO IT! You can do it no matter where you are, or think you are. It's a lot more fun to be

on the front of the wave than dragging along behind, buffeted by all the backwash.

SUGGESTION

THROUGH THE POWER AND WISDOM OF THE DIVINE CREATOR, I, TOO, AM A CREATOR OF MY LIFE AS IT HAS BEEN, AS IT IS AND AS IT WILL BE. KNOWING THIS, I AM NOW READY TO OPEN MY MIND TO THE CREATIVE ABILITIES AND TALENTS THAT ARE STORED IN MY SUBCONSCIOUS MEMORY BANKS.

MY MIND IS NOW READY AND WILLING TO CO-OPERATE WITH ME, BRINGING UP THE MEMORIES OF PAST TALENTS AND CREATIVE ABILITIES. THROUGH THE WISDOM OF THE HIGHER SELF, I CAN USE THIS PAST UNDERSTANDING IN THE PRESENT.

NEW INVENTIONS AND CREATIVE TALENTS FROM MY PAST ARE NOW RISING TO THE SURFACE OF MY CONSCIOUS AWARENESS AND ARE MINE TO USE TO MAKE LIFE A BETTER PLACE ON THIS PLANET.
