

**HOW TO MAKE
MORE MONEY**

Series #2

Class #3

FINISHING WHAT YOU START

If you have the gumption enough to start something then why not follow through by bringing forth the energy and vitality from the center of your source and FINISH WHAT YOU START!.

You are the captain of your ship or life. You and you alone make it what it is. If you want it to be successful and make more money then it is up to you and the success-filled action that you take to bring forth the life abundant.

Your "limitless potential button" is at the center of your being and no one can push it but you! These classes can encourage you, stimulate your thinking and maybe point the way, but it is YOU who must take the encouragement and stimulation and MOVE WITH IT.

You will feel so much better when you take the action to be successful rather than sitting idle, feeling guilty because you are not what and where you want to be. All things are possible to those who can believe. Maybe we should also listen to Paul who said, "Faith without works is dead." In other words--goes nowhere fast.

The "birth" of a millionaire can start with one dollar invested to make two that turns into four and so on to the top. Do you have a dollar or

an idea? If not, then go to the center of your source that lies within the center of your being. Learn to draw upon your own resources and bring forth that creative urge to drive you forward to your goal. But, whatever you do, if you do it, FINISH IT! Make it whole and complete. You can't sell half an idea or half a mousetrap.

There are more ideas, creations, inventions and abundance in every form on this earth and under the heavens than ever dreamed or conceived of, just waiting to be born. Give them this opportunity by ACTING UPON YOUR IDEAS AND GOALS. Starting with the creative urge called "DESIRE", followed up with positive, constructive ACTION will help keep the Life Force and energy flowing and thus, a continuous cycle of life increasing itself abundantly.

SUGGESTION:

THE SOURCE OF ALL SUPPLY IS AT THE CENTER OF MY BEING AND I AM LEARNING TO CONTACT THIS CENTER POINT THAT SUPPLIES ALL THINGS. USING MY OWN SPECIAL, UNIQUE TALENT THAT NO ONE ELSE POSSESSES I AM BRINGING FORTH THE NEW, THE UNIQUE PART OF LIFE THAT WILL ENRICHEN ALL WHO HAVE IT, MAKING IT SO ATTRACTIVE THAT ALL WHO KNOW OF IT WILL BRING THEIR CREATIVE ABILITIES FORWARD TO EARN THE SUPPLY TO BUY, THUS INCREASING AND ENHANCING THE LIFE ON THIS PLANET EVEN MORE.

THE SOURCE OF SUPPLY IS AT THE CENTER OF THE WHOLE OF LIFE EVERYWHERE PRESENT, FOR ALL TO HAVE. I BEGIN EACH ENDEAVOR WITH THE DETERMINATION TO FINISH WHAT I START, REALIZING THAT EVERY IDEA LEFT UNFINISHED IS A CLOGGING, DAMMING OBSTACLE IN THE WHEEL OF CREATION.
