

# HOW TO MAKE MORE MONEY

Series #2

Class #4

## SELF CONFIDENCE

To attract to yourself more of Life's abundance, whether it is money and material wealth, friendship, physical love and close relationships on the physical level, the ability to think clearly and use your mind to a greater extent on the mental level, or the wisdom of the sages from the spiritual level, YOU MUST HAVE CONFIDENCE IN YOURSELF.

To have confidence in yourself you must understand yourself. For the most part this means that you must know who you are.

Let us start by saying who and what you are NOT! You are NOT the mind. You are SPIRIT. YOU ARE A POINT OF CONSCIOUSNESS in the ocean of Spirit.

To have confidence in yourself you must know your potential. YOUR POTENTIAL IS WHITHOUT LIMIT.

"I will give you a talisman to use in times of pressure, of drabness, of temptation. Say, 'There is no measured time at this place, no future, neither is there a past. I am in the eternal moment, the limitless, infinite, now. My spirit is deathless, immortal, and through it I am in touch with all wisdom, all beauty, all goodness. In this eternal

(over)

now I rest sustained, supported, comforted.' All is contained in the present, eternal, moment..." quote from Letters of the Scattered Brotherhood, page 90.

Give full consideration to the true reality of your being. The Master Teacher said, "Know the Truth and the Truth shall make you free." He was not speaking of the physical plane, for the earth or physical plane is made up mostly of illusion. He was speaking of the ETERNAL TRUTH. The Truth that has always been, that is true now and shall always be true throughout eternity, that had no beginning and will have no end.

Parts of this class may be a bit heavy and tend to befoggle the mind, but trust in the inner guidance of your intuition when reading and studying it and you will be able to bring forth the Divine Light of Understanding to give you the enlightenment necessary to comprehend the Spirit and the meaning behind the words. With the aid of your own Higher Self, that is one with all of life and the wisdom contained in it, you gain understanding and start stepping free from the chains of illusions that have mesmerized you into thinking that you are limited.

When you know that you are a child of Life (God) and through your Divine inheritance you automatically have all that Life (God) is and has, which is all that there is in the whole of creation, you need no longer put up the false front and play games with yourself. You just accept the Truth of your being, knowing that all others also have this inheritance, whether they know it or not.

Peace of mind and a full abundant life on all levels are yours for the taking. But there is this "catch 22"...you may have been brainwashed into thinking that you are merely human, with all the frailties, weak-

nesses and limitations that humans inherit on this physical plane of illusion. In this case, you must learn to overcome this brainwashing and accept your Divine inheritance. That is what this class is all about. If you follow through with the instructions and make a conscious effort all through the day, you will step forth the victor and, as the Master said, "I have overcome the world."

Your confidence in yourself has nothing to do with anyone else of any outer situation or circumstance. It all has to do with YOUR STATE OF CONSCIOUSNESS, YOUR THINKING PATTERNS. These patterns are not overcome overnight. But they CAN be overcome. You CAN rise above them if you persist with order, discipline and a plan of action to accomplish the goal.

SUGGESTION:

I AM LEARNING TO BE CONFIDENT IN MYSELF BY KNOWING THE REAL TRUTH ABOUT MYSELF. I REALIZE THAT MY ABILITIES TO ACCOMPLISH MY GOALS ARE NOT DEPENDENT ON ANY THING OR ANY ONE OUTSIDE MYSELF.

MY UNDERSTANDING OF DIVINE INHERITANCE GIVES ME THE TRUTH OF MY BEING AND I KNOW THAT I AM A CHILD OF LIFE WITHOUT LIMIT ON ANY LEVEL.

\*NOTE: IF YOU HAVE NOT ALREADY, YOU SHOULD CONSIDER TAKING THE SIX WEEK CLASS CALLED SELF CONFIDENCE TO REINFORCE THIS MONEY CONSCIOUSNESS CLASS.
