

WHAT WE GET

As we begin this Intense Study of the Spirit, the ATTITUDE that we take about it will determine, to a great extent, WHAT WE GET FROM IT.

POSITION YOU TAKE

ATTITUDE means the position you take. The position we are taking, in these Classes, is a positive one. In the past we have concentrated on the problem, In this Class, we are not even going to consider the problem.

FULL ATTENTION TO ANSWER

We are taking the position of learning to give FULL ATTENTION TO THE ANSWER, and if the so-called "problem" is not considered or given any attention, or power of thought, it will die of neglect, and go back to the nothingness from which it came.

KEEP IT THERE

Through these Classes we will learn to center our attention on the ANSWER and keep it there, not allowing the illusions of the world to capture the flow of thought that channels the Life Force, giving substance to whatever framework is held up.

YOUR REALITY

As you learn to give more power of thought to the Truth, to Reality, then that Reality becomes the Reality of your world.

CENTER OF CREATION

What holds your attention? The Center of attention is the center of creation for your life, for the Life Force flowing through the framework of thought is the Creating Force, creating your life as it is and as it will be.

LIFE FORCE ACTIVATED

Every thought is activated by Life Force and Life Force is activated by your thought.

MIND--THE CHANNEL

The mind is the channel that life flows through to the physical plane and thought is the activating force of the mind.

MEDITATION OF THE WEEK

I AM THE GUARDIAN OF THE LIFE FORCE THAT FLOWS THROUGH MY MIND AND IS DIRECTED BY MY THOUGHT. I NOW REALIZE THAT THIS LIFE FORCE IS THE CREATIVE POWER OF THE UNIVERSE AND THAT THROUGH THE DIRECTION OF MY THOUGHT, I AM THE CREATOR OF MY LIFE AND THAT MY LIFE IS ADDED TO THE TOTAL OF LIFE.
