

HOW TO MAKE MORE MONEY

Series #1
Class #4

There can be no lasting success without order and discipline. But before you can be orderly and disciplined, you have to have something to be orderly and disciplined to. This will be the plan of action, as well as planning what you want and when you want it.

Unless you have a plan you have no direction and without direction you go nowhere. Make a firm decision, right now, to make a plan for your life and write it down on paper. Without the discipline and a plan this class has no meaning or purpose for you. Also, if you do not work the plan consistently with enthusiasm and a strong determination it will not bring results.

All things are possible to those who can believe, but YOU MUST DO THE WORK. Doing the work or taking action on a consistent basis is an affirmation to your belief. Coming to class and doing your homework is a plan to change your consciousness from the lower to the higher from poverty to riches.

You make your plan with the understanding that you can change it at any time. In fact, if you are growing, making progress, moving forward towards your goals, you will be seeing yourself and life at a different point of view with every step you take forward. This will continuously call for a different plan. So if you are succeeding you will be continuously changing your plan.

This change of your point of view is an indication of a change in consciousness, or growth, moving forward into a better viewpoint, a better place in life.

Do not hesitate to make changes, but first look forward into the future to see what the changes will bring, to be sure that this change is what you want. You cannot always predict with perfect accuracy what the changes will bring, but with your new insight and understanding of the Laws of Life that these classes are giving you, you will be able to see a little way ahead most of the time.

The greatest mistake that an individual can make is to stand still or resist change out of fear of making the wrong decision. Even if you take the wrong road and move down it for ten miles before you realize your mistake, it is much better than standing still out of fear. At least you know one way that is incorrect.

Thomas Edison made over a thousand mistakes before he got the light bulb to work. If he had given up on any one of these attempts to perfect the light bulb, someone else would have been given the credit.

Be not discouraged by your mistakes, be grateful because you truly learn and grow through mistakes.

Shake the dust off your heels and move on down the road of progress to another experience and let each experience, mistake or not, be a glorious opportunity to strengthen your determination to be successful, make more money and have the kind of life you really want.

Read the following suggestion with feeling, emotion and conviction, five times a day, throughout the day; morning, mid-morning, noon, mid-afternoon and evening.

SUGGESTION:

I AM THE CAPTAIN OF MY SOUL. I AM THE MASTER OF MY FATE AND I AM DETERMINED TO SUCCEED, NO MATTER HOW MANY MISTAKES I MAKE, NO MATTER HOW MANY TIMES I CHANGE MY PLAN.

I AM DETERMINED, AND WITH THE UNDERSTANDING THAT I AM ONE WITH ALL LIFE AND ALL LIFE IN ONE WITH ME, I NOW KNOW THAT I AM SUCCESSFUL AND WILL CONTINUE TO BE MORE SUCCESSFUL BECAUSE THE NATURE OF LIFE IS SUCCESS. THE NATURE OF LIFE IS ABUNDANCE.

THE LIFE THAT I AM WANTS ME TO BE SUCCESSFUL AND MAKE MORE MONEY TO HAVE THE THINGS IN LIFE THAT I WANT AND IS WORKING WITH ME TO INSURE MY SUCCESS WHEN I LET IT.

I KNOW THAT I HAVE FREE WILL AND THROUGH DOUBT, WORRY AND FEAR-FILLED THOUGHTS CAN HINDER AND SLOW DOWN MY SUCCESS. I AM STRONGLY DETERMINED TO TRAIN MY MIND ON ALL LEVELS TO THINK ONLY POSITIVE, LOVING, SUCCESS-FILLED THOUGHTS AND FEELINGS AND I KNOW THAT MY SUCCESS IS ASSURED BECAUSE IT IS IN MY HANDS AND NO OTHER.
