

# HOW TO MAKE MORE MONEY

SERIES #2

CLASS #1

## TAPPING THE SOURCE

To tap the source we must go to the source (or Spirit) because Spirit is the source of all Knowledge, all Wisdom, all Power and all Ability, the source of all things created or

uncreated. Spirit is the raw material

of which everything that IS, is made. To be

able to tap the source or to move into the conscious-

ness of Spirit, we must release the physical, move through the mental realm and arrive at the throne of God, the Source of all that is. To do this we must learn to move in consciousness ABOVE THE PHYSICAL, releasing the limitations and the illusions of the physical plane, into the MENTAL REALMS where patterns exist. The next step is to move beyond the mental realms of patterns, into the SPIRITUAL REALITY of life, raising our vibrations to the source at the throne of God.

We have many tools available to help us reach our goals, one of the best being ENTHUSIASM coupled with GRATITUDE and a spirit of JOY. Joy enables us to capture the lightness of spirits and travel on the wings of thought generated from these beautiful beings. We must realize that help, encouragement and enlightenment are at our finger tips at all times, waiting for us to manifest them in our thoughts. We must raise our thoughts, with the

help of the spirit of joy and the spirit of wisdom and an attitude of gratitude, always remembering the power of Love which enables us to ascend to any level, to overcome any problem, to release any resentment that might hold us back.

We must be willing to release our negative patterns or attitudes, which means giving up any thought of feeling about them, turning our backs completely on the illusion of the world and rising on the wings of thought--thoughts of joy, beauty, gratitude and love, giving our full attention to that which is beautiful, that which is eternal, moving into the Higher part of ourselves with the power of intuition, to know whereof we stand, realizing that we are children of Life, unlimited in the ability to rise above the physical plane of illusion, into the mental realms and on up, into the Spirit, tapping the source at the throne of God.

We are responsible first to ourselves to bring the abundance from the source to the physical with new ideas, new awareness and a higher consciousness. With intuition we understand that there is no limit to new ideas, new understanding, new philosophy, new ways of doing things, easier ways of accomplishment. As we raise ourselves up, we raise the whole of mankind, for we are one with all life, even as the Master said, "If I be lifted I draw all men unto me." So it is with each of us. We too can raise mankind by expanding our understanding into more understanding, by reaching beyond where we seem to be, using the power of enthusiasm to spark the attitude of gratitude and bring into view the power of God's Love that can accomplish all things.

You and I have access to the power of God's Love to use as we will, to tap the source of all things, of all of life, of all existence, of

ideas without limit, of new ways of thinking, new ways of existing with or without form, bringing new energies into play on the physical plane that will transform the planet into the garden of eden it once was. But, before this can be done, the consciousness of the majority of dwellers on this planet must be cleansed, must be raised to a much higher level. It has to start with you and I raising our consciousness to that level, being an example, bringing the Light through to show the way. You ARE your brother's keeper. You are responsible FIRST TO YOURSELF, but then to your brother, sister and the whole of mankind to give that which you have and reach for more and higher vibrations of understanding, that you may give more, that you may live the life abundant and show others the way.

To make more money is to bring the symbol of abundance into conscious view on the physical plane, because money is a symbol of God's abundance. Whenever we, as individuals, make more money, we are actually creating more money or more abundance of life. The way we create this abundance is by actually tapping the source, then bringing it through the mental realms (as a pattern or mold) that Life Force can flow through to bring the abundance that money represents into the physical reality.

To demonstrate making more money, you are actually demonstrating the abundance of God, because the abundance of Life is the presence of God. Where Life is, God is. Where there is abundance of Life, God is there in abundance! You and I are channels through which God manifests Himself in many ways. Money is one of them. Love is another. Peace is another.

You are one with all life, one with God. Should you withhold from your brother that which is given to you so freely, you would also be with-

holding from yourself, because you ARE your brother and your sister.

Tapping the source is moving, in consciousness, to the throne of God and becoming aware of God's presence in everything, in every place, in every situation. The point of consciousness that you are, is God expressing Himself through you on the physical plane. The more abundant that you become, the more you express the presence of Life, the presence of God.

SUGGESTION:

I AM THE ABUNDANCE OF LIFE EXPRESSING ITSELF ON THE PHYSICAL PLANE AND AS I MAKE MORE MONEY, THE SYMBOL OF ABUNDANCE, I AM SETTING AN EXAMPLE FOR OTHERS AS WELL AS FULFILLING THE LAW OF ABUNDANCE, ONE OF THE MOST IMPORTANT LAWS OF LIFE.

THE AWARENESS OF LIFE THAT I AM IS THE EXISTENCE OF MY BEING. THE DEGREE OR INTENSITY OF THIS AWARENESS IS THE FULLNESS OF THE ABUNDANCE THAT I EXPRESS OUTWARDLY ON THE PHYSICAL LEVEL THAT REACHES BACK TO THE INNER UNDERSTANDING THAT IS MANIFESTING IN THE OUTER, CONSCIOUS AWARENESS.

AS I MOVE CLOSER TO THE INNER SOURCE AT THE CENTER OF ALL LIFE, I AM AWARE OF MORE LIFE AND THE RICHES THAT LIFE IS AT ALL TIMES HOLDING OUT TO ME.

AS EACH DAY GOES BY I LEARN HOW TO ACCEPT MORE OF LIFE'S BOUNTY AND I AM THE RICHEST OF ALL MEN, FOR I HOLD THE KEY TO THE TREASURE CHEST OF LIFE ITSELF.
