

HOW TO MAKE MORE MONEY

Series #2

Class #2

ASSUMING THE ROLE

To assume the role of that which you would be, you must take on the form, character and vibrations of this new being that you are becoming. You must leave the parts of the old being, that do not fit in with the new role, behind. Give these discarded parts no more power of thought, feeling or presence.

That which you would become, which you have not been, must be given the center stage of your attention. Zeal, enthusiasm and great power of presence is essential in order to establish this new character with enough Life Force to sustain it. In time this new character will con-

tinue to exist by its own momentum. Until such time it must be fed with the power of thought, backed up with faith and enough emotional fire to give it substance.

You, the creator of this new being that you are becoming, should decide if this new role is worthy of the efforts put forward. If you decide in favor of this new self, then you, the creator, must bring forth the image from within the center of your being. Hold this

image in your mind long enough to give it definable features. This new image should be fed with the Life Force along the lines of thought, just as an electric motor is fed with electricity along the lines of the electric wire. The current of Life Force flowing along the lines of thought must be strong enough to sustain the image on the mental levels long enough to make a mold. Then the Life Force from the God Head, flowing down into all creation, can give form to your image on the physical level, thus completing the cycle of creation.

To assume the role is just the beginning. The role must be played out to the end of the act, completed with the visible image on the physical plane. You, the creator, cannot expect complete results from incomplete work. The Law works, but YOU MUST WORK IT, and work it to its final completion.

SUGGESTION:

I AM THE LAW UNTO MYSELF AND I REALIZE THAT ASSUMING THE ROLE IS THE FIRST STEP TOWARD SETTING THE LAW INTO ACTION.

I ALSO REALIZE THAT I MUST FOLLOW THROUGH BY TAKING ON THE FORM, CHARACTER AND VIBRATION OF THIS NEW BEING I AM BECOMING. I AM LEAVING THE OLD BEING, THAT DOES NOT FIT IN WITH THE NEW ROLE, BEHIND. I GIVE IT NO POWER OF THOUGHT, THUS IT IS QUICKLY DYING OF NEGLECT AND BEING REPLACED BY THE NEW.

THAT WHICH I AM BECOMING, BY ASSUMING THE ROLE, MUST BE GIVEN THE CENTER STAGE (MY FULL ATTENTION) WITH ZEAL, ENTHUSIASM AND GREAT POWER OF PRESENCE, SO THAT THE NEW CHARACTER I AM BECOMING IS BROUGHT INTO EXISTENCE WITH THE CREATIVE FORCE OF MY INNER IMAGE.

I AM WILLING TO FEED AND SUSTAIN THIS NEW SELF WITH THE POWER OF THE CREATOR THAT I AM, UNTIL THE OLD BEING HAS COMPLETELY FADED AWAY AND THE NEW IMAGE IS STABLE AND SOLIDLY FORMED IN THE MIND, KNOWING THAT THE GOD FORCE WILL FLOW THROUGH THIS MOLD, MAKING IT A PHYSICAL REALITY.
