

LIVING ETERNITY

MOVE BEYOND TIME

Time travel is an interesting subject, but even more interesting is to move, in consciousness, beyond time into the inner dimensions of Eternity. Eternity is here and now, always in the present or outside of time, beyond time and space.

TIMELESS DIMENSIONS

To move into the timeless dimensions of eternity, you must turn loose of the concept of time and space. Life Force follows thought, so where you place your thought, this is also where you place your awareness of yourself. Your consciousness is where your awareness is, therefore, as long as you believe in time and space, your awareness will remain on the illusionary level of what we call the physical plane.

TURN LOOSE

If you can learn to turn loose, at least temporarily, of your awareness of the physical time and space concept, and use your inner image or imagination, you can begin to tune into the other dimensions of life. Most of the individuals on this physical plane do not really believe there are other dimensions. If they have any concept of them it is usually a scary, spooky concept out of some ghost story.

LIVE FULLY -- NOW

Eternity is here and now; grab hold of it and hang on by living to the fullest at all times and you will continually be moving into more life, a fuller life, expanding yourself, your consciousness, your being, into Higher and Higher dimensions, even while in the body, going through this play we call life in the physical.

LIVING OUTSIDE OF TIME & SPACE

By accepting this here and now concept of eternity existing outside of time and space, and realizing that you do not have to wait to be free to travel the many dimensions outside of time and space, you can begin now, this moment, to experience much more than just the physical dimension.

YOU ARE FREE

You are free to be. To be whatever you decide to be. "As a man thinketh, so is he." If you think yourself to be free of time and space, really think it, then you can start to demonstrate it in small ways, gradually expanding your freedom to a greater degree.

CONTROL THE PHYSICAL PLANE

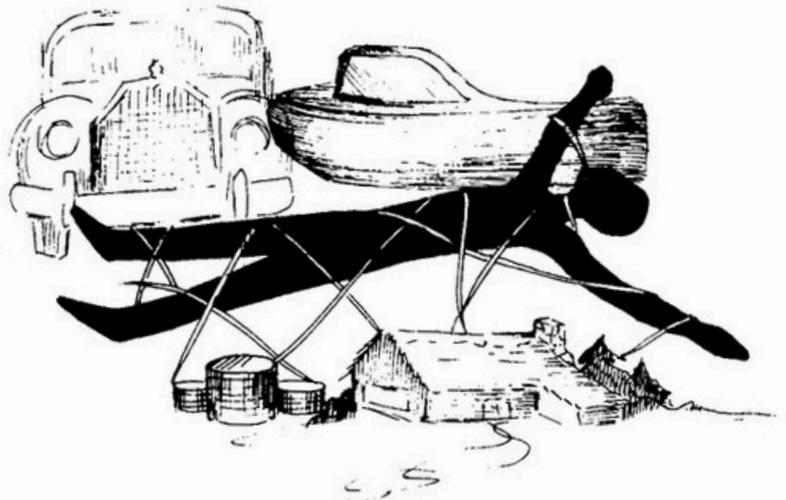

Let us compare a rich man and a poor man. The rich man who earned his riches himself, not by way of inheritance or dishonesty, demonstrates his ability to control the physical plane, at least in this sense, more than the poor man because he is demonstrating his ability to control time and space to acquire more wealth in a shorter time. If the rich man is not possessed by his possessions, a slave to spending all his time making more money, he then has more time to do what he chooses, thus controlling time and space.

POSSESSED BY POSSESSIONS?

The difference between this plane and other levels of Light is that we seem to have to make a living to support this physical body, or have the comforts of life. To have the comforts of life, we spend time and effort to acquire more money to have more, and the more things we possess, the more we are possessed by our possessions. And so the circle goes round and round and the illusion takes hold of us stronger and stronger.

WEIGHT OF POSSESSIONS

The more physical things you have on this physical plane, the more you have to take care of, or maintain, because everything here is always in a state of deterioration. It would seem that a simple life, with as few things as possible to weigh you down, might be very beneficial. A balance between the physical and spiritual needs is the ideal. Think well before you weigh yourself down with too many possessions lest they possess you.

SUGGESTION

THE TIME IS NOW, THE PLACE IS HERE, BECAUSE THERE IS NO OTHER TIME,
THERE IS NO OTHER PLACE.

YOU ARE. I AM. LIFE IS.

TO BE. BE!

BE THE MOST THAT YOU ARE--RIGHT NOW AND REACH UP TO ENCOMPASS MORE,
THAT YOUR CONSCIOUSNESS MAY EXPAND. WHEN? NOW! WHERE? HERE!

YOU ARE, I AM, LIFE IS, NOW.

WHERE DO YOU BELONG? WHERE YOU ARE!

WHEN WILL YOU LEARN MORE? NOW! WHERE? RIGHT WHERE YOU ARE!

DO YOU WISH TO EXPERIENCE MORE OF CONSCIOUSNESS? MORE OF LIFE? THEN
GO BEYOND TIME AND SPACE. WHERE? WITHIN!

THE OUTER WORLD IS ONLY A BUFFER, TO SHOW YOU WHAT IS NOT. THE INNER
WORLD IS THE REALITY.

BY KNOWING THE UNREAL, MAKES IT EASIER TO KNOW THE REAL.
