TAPPING THE SOURCE

LOVE AND ROMANCE FOR THOSE WHO CARE

The romance of Life is the sparkle in the eye of God.

The desire for a romantic relationship with Life is at the core of the heart of every individual expression of life.

To be romantic with life through another individual is to be at the center of the Heart of all Life, the Source.

The ebb and flow of the heartbeat of life is generated through romance, or a love affair with life.

To love life is to live. Anything less than a romantic love affair with life, takes away from the spirit of life.

To be solemn is to some a duty at times. But who would have a somber attitude toward life when the joy and excitement of romance can hold sway to mark the beat of the day.

Romance is the extra special ingredient in physical love. It can also be the driving force to enhance the beauty of Tapping The Source.

As we play the role of physical personalities, romantic interludes can stimulate one to greater achievement, for the Creative Force we call sexual drive on the physical is Truly a desire to be one with the Source.

The Creative Force or sexual drive should never be thwarted, for they are one and the same, and the building blocks of Life Itself.

Let us therefore, through the greater understanding, let love and romance have its place in the journey to Tapping The Source.

Arise to your day with the sunshine of romance to enhance your love for life and let the joy of being alive spark the kindles of love and romance in your heart to set the pace for your day.

Be not afraid to love, for love is the essence of life and romance is the beauty of love. Be romantic in your loving, and loving in your romance. For as the bee is to the flower, so is the flower to the bee. Both give and receive with full measure.

Give your heart to life with full measure and receive the fountain of love overflowing as you tap the Source of love and romance.

AFFIRMATION

I AM OPEN TO LOVE AND ROMANCE IN MY LIFE, THE DRIVING FORCE THAT PUSHES ME UPWARD AND FORWARD TO TAP THE SOURCE, SO THAT I MAY BRING THE BEAUTY OF ROMANCE AND LOVE FROM THE SOURCE, THROUGH THE MANY DIMENSIONS OF THIS BEING THAT I AM, TO THE CONSCIOUS AWARENESS OF THIS PHYSICAL SELF.

AS I OPEN MORE AND MORE TO THE SPARKLE OF ROMANCE THAT ENHANCES THE UNDERSTANDING OF TRUE LOVE, I EXPERIENCE THE GLORYS OF CELESTIAL MUSIC THAT CONTINUALLY FLOWS FROM THE HEART OF THE SOURCE TO ALL ITS CREATION AND I AM THE MOST BLESSED AMONG THE CHILDREN OF THE SOURCE. MY HEART SPILLS OVER WITH THE WARMTH OF LOVE TO ENHANCE LIFE ALL AROUND ME AND THE SPARKLE OF ROMANCE FROM THE EYE OF GOD GOES BEFORE ME TO PAVE THE WAY TO HAPPINESS, PEACE, AND THE FULFILLMENT OF LIFE ABUNDANT, AS THE ROMANTIC LOVE FOR THE SOURCE GROWS AND GROWS TO FILL A LARGER HEART FULL MEASURE AND OVERFLOWING.
